Abide in the
Wind

Arrange Autumn
Fire in the shape
of words...

and let it float
perpendicularly.

PAAN

What's that?

There's
nothing
there.

I'll wear the cornucopia.

If the Amdia
Wing is safe,
then I'll head
out there...

I would like to negotiate
with you for the safety
of the hostages.

I want to speak to your
leader face-to-face.

The First Prince.
Lookalt Freshwater's Capture.

There are Autumn
Hawks: proof that
he is a collaborator of
a named terrorist.

He's going to
be troublesome...

Headquarters

But not
the security
force comes

Approved by the
Department of
Defense

MUT MUT

I'll have to deal
with this before the
army comes.

Hurry up and
do your job!

What are those
black lines?

It's too thick to
be called a net.

Where's
the Controller?

he's above us in
the ship-locks.

He is dealing with
another situation
at the moment.

He is dealing with
another situation
at the moment.

Why, if this isn't
an honor?

an honor for me.
I'd never expected the
First Prince, Lockhart, to
come for me.

I am the official of
the Black Chain. My
name is Chandler.

It looks like the
kingdom has sent
one of the royals
to deal with this.

How about we
hurry along and get out
of here instead?

No. We
have to protect
the people.

People could
get hurt during the
negotiations.

Regardless of the
outcome, they will need
a passage to get out of
here, too.

It's been bothering me for a while now. But what is that black line?

It gives me an eerie feeling.

Dadan, whom are the other staff members?

The ones who also wear this uniform.

They're here and there, all scattered around like this.

Alright, I'll take it with the citizens and pass on the message for the staff.

We might be able to take advantage of this chaos to lead the people to safety.

Our objective is
only to punish those
crust families that
support slavery

I don't think the
kingdom really is
what it seems...

Your song has
caused a civil war
in the area of
the kingdom.

I'm not here
to negotiate
with you.

I've come to request
something of you.

These
staff members
were hiding in a
corner

Get inside!

Lady Luck's presence
upon our lives!

...and a great

Kaitrak?

It is okay.

I'll stay by
your side.

Looking
Gorgeous

Is that right?
So it's possible
Alone...

Understood. If
something happens
to break out and give
us an opening, I'll find
everyone there.

Vicepent Caretaker
Luper Yattarang
(Big Luper)

There's more people in
fear than I thought.

Is it because of
this black thread?

What is this thread?
Why is everyone so scared
of touching it?

Uh...ah?

Ahh... Ah...?

Why be so
scared...? Ah...

A few moments ago

You look so fine.

Oh my goodness!

*I've never heard...
of something so cruel..!*

*I can't
believe such
a worthless
Dragon Artifact
exists!*

This looks familiar...

*It's not a
black pearl...*

It's solidified blood...!

NOY

the main idea
of dragons is to
save the planet and
create life

they cannot create a
dragon artifact like that

this was not created
by any of the dragons as
their dragons it

BOOM
